

MEMBERSHIP FORM

Please send completed form to: Ives Pool ~ PO Box 122 ~ Seb ~ 95473,
or drop it off at the pool during any regular hours

Now is the time to join Friends of Ives Pool for 2009, and membership is ONLY \$10! We need all users to be members!

The complete operating cost of Ives Pool and all of Ives' aquatic programs are provided by the non-profit **Friends of Ives Pool/WSCS** (Western Sonoma County Swimmers). As a pool user, you have the benefit of one of the few pools in Sonoma County with year-round operation and swimming programs for all ages and abilities. These programs would not be offered without the membership and support from the Ives community.

Take a look at what **Friends of Ives Pool** was able to do in 2008 -

- 70,000 visits were made to Ives Pool (an average of almost 200 users per day!)
- Ives was open 355 days including Thanksgiving and New Years Day
- On average Ives was open 15 hours/day
- 14 swim programs were held
- Ives provided 20 scholarships for swim lessons and aqua therapy
- Ives employed 60 people of which 75% were high school students
- Our solar installation reached 115,000 kwh this month

Please join for 2009, and also **consider financially supporting one or more of the special projects listed on the membership form below. This support is tax deductible.**
